COLOURING BOOK

Bees and the meadow

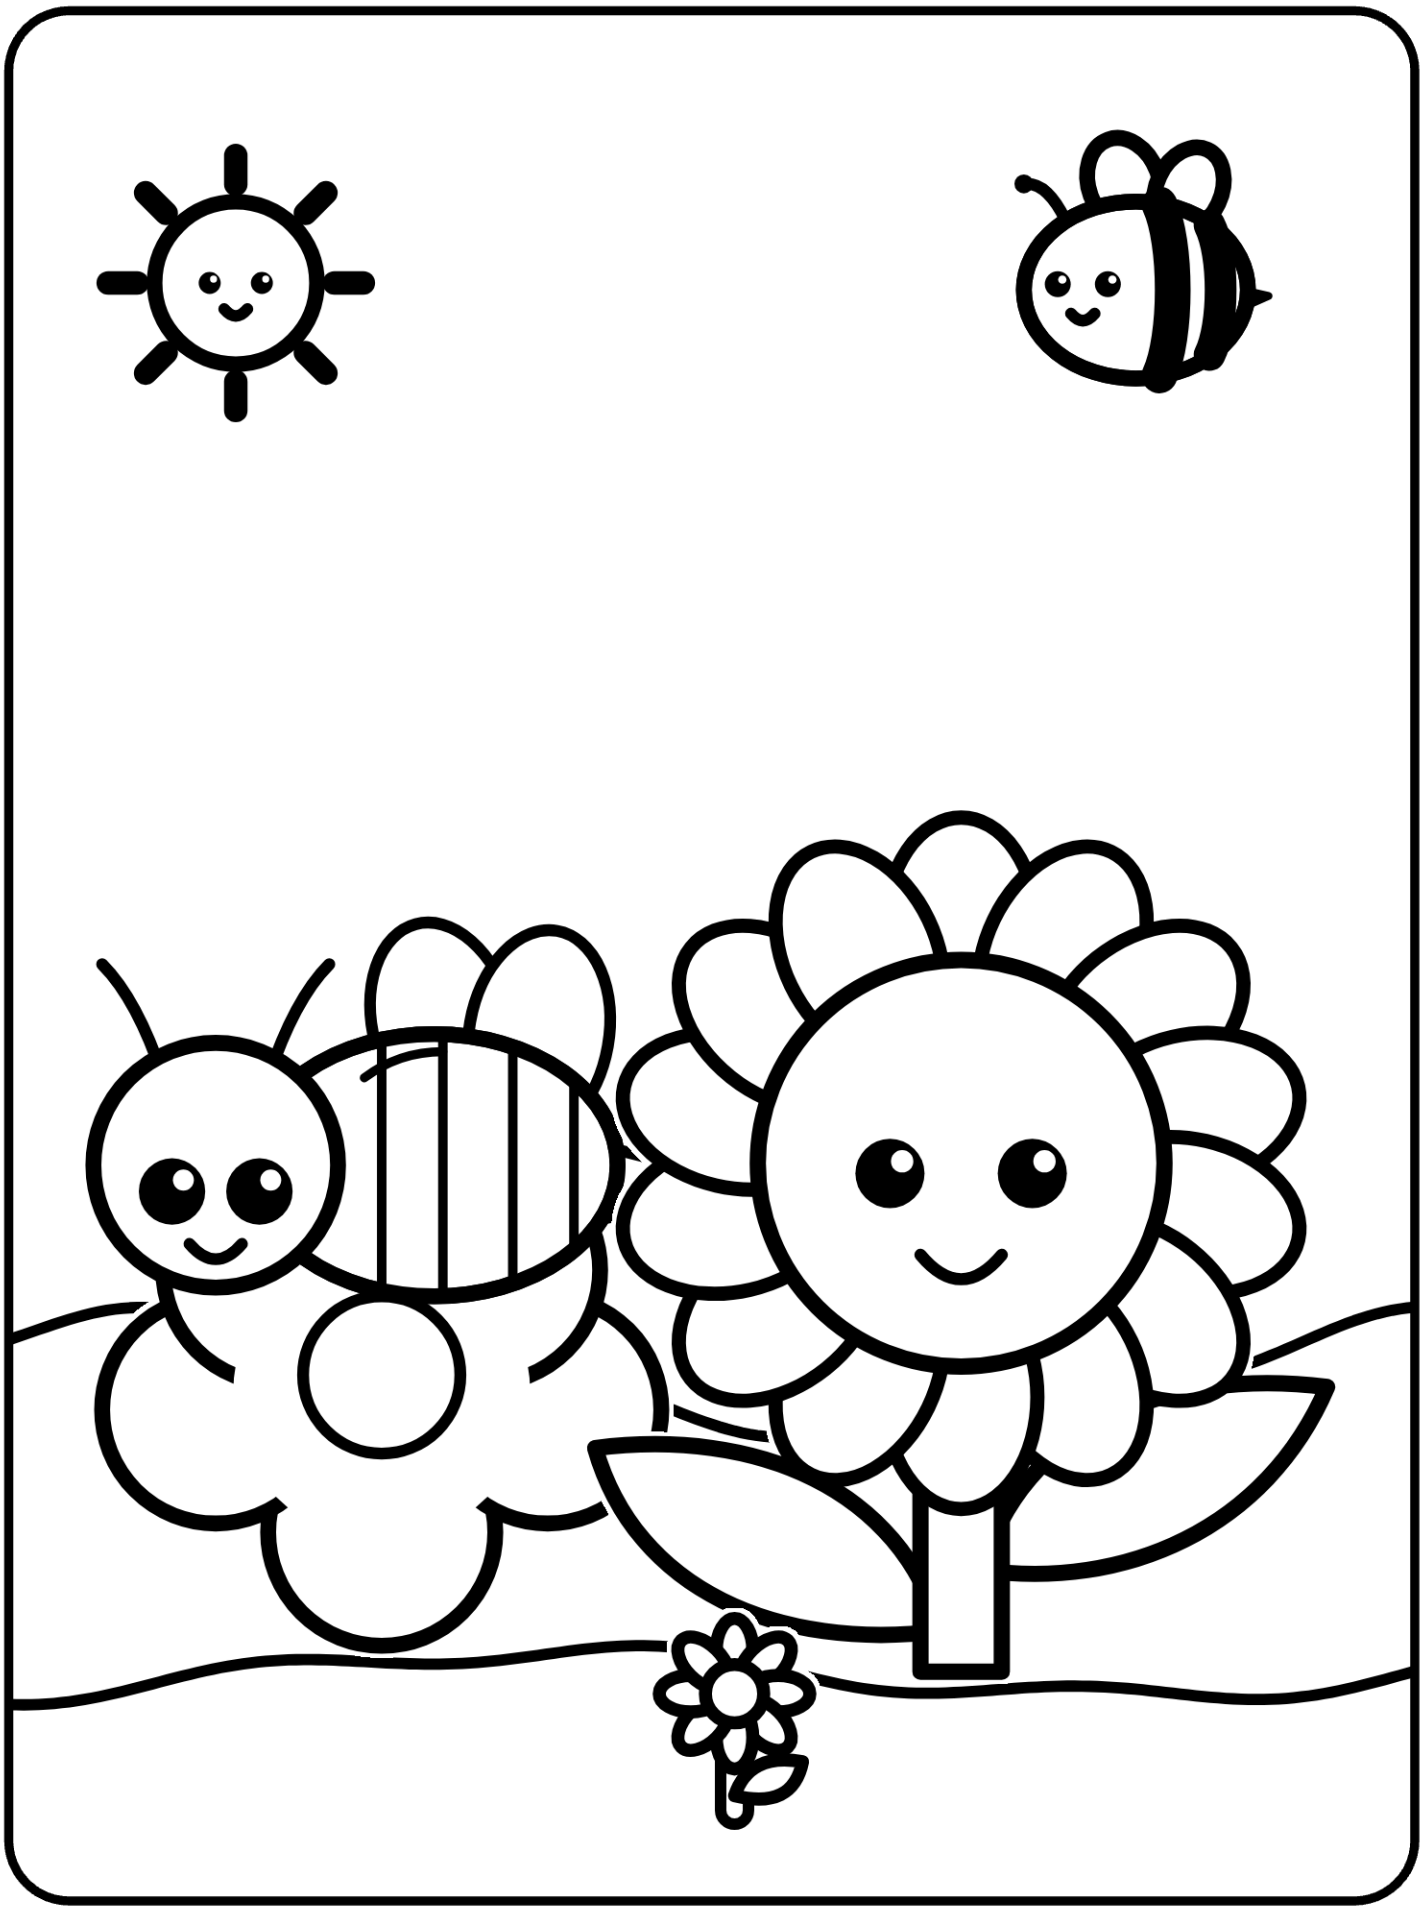

12 pictures to colour

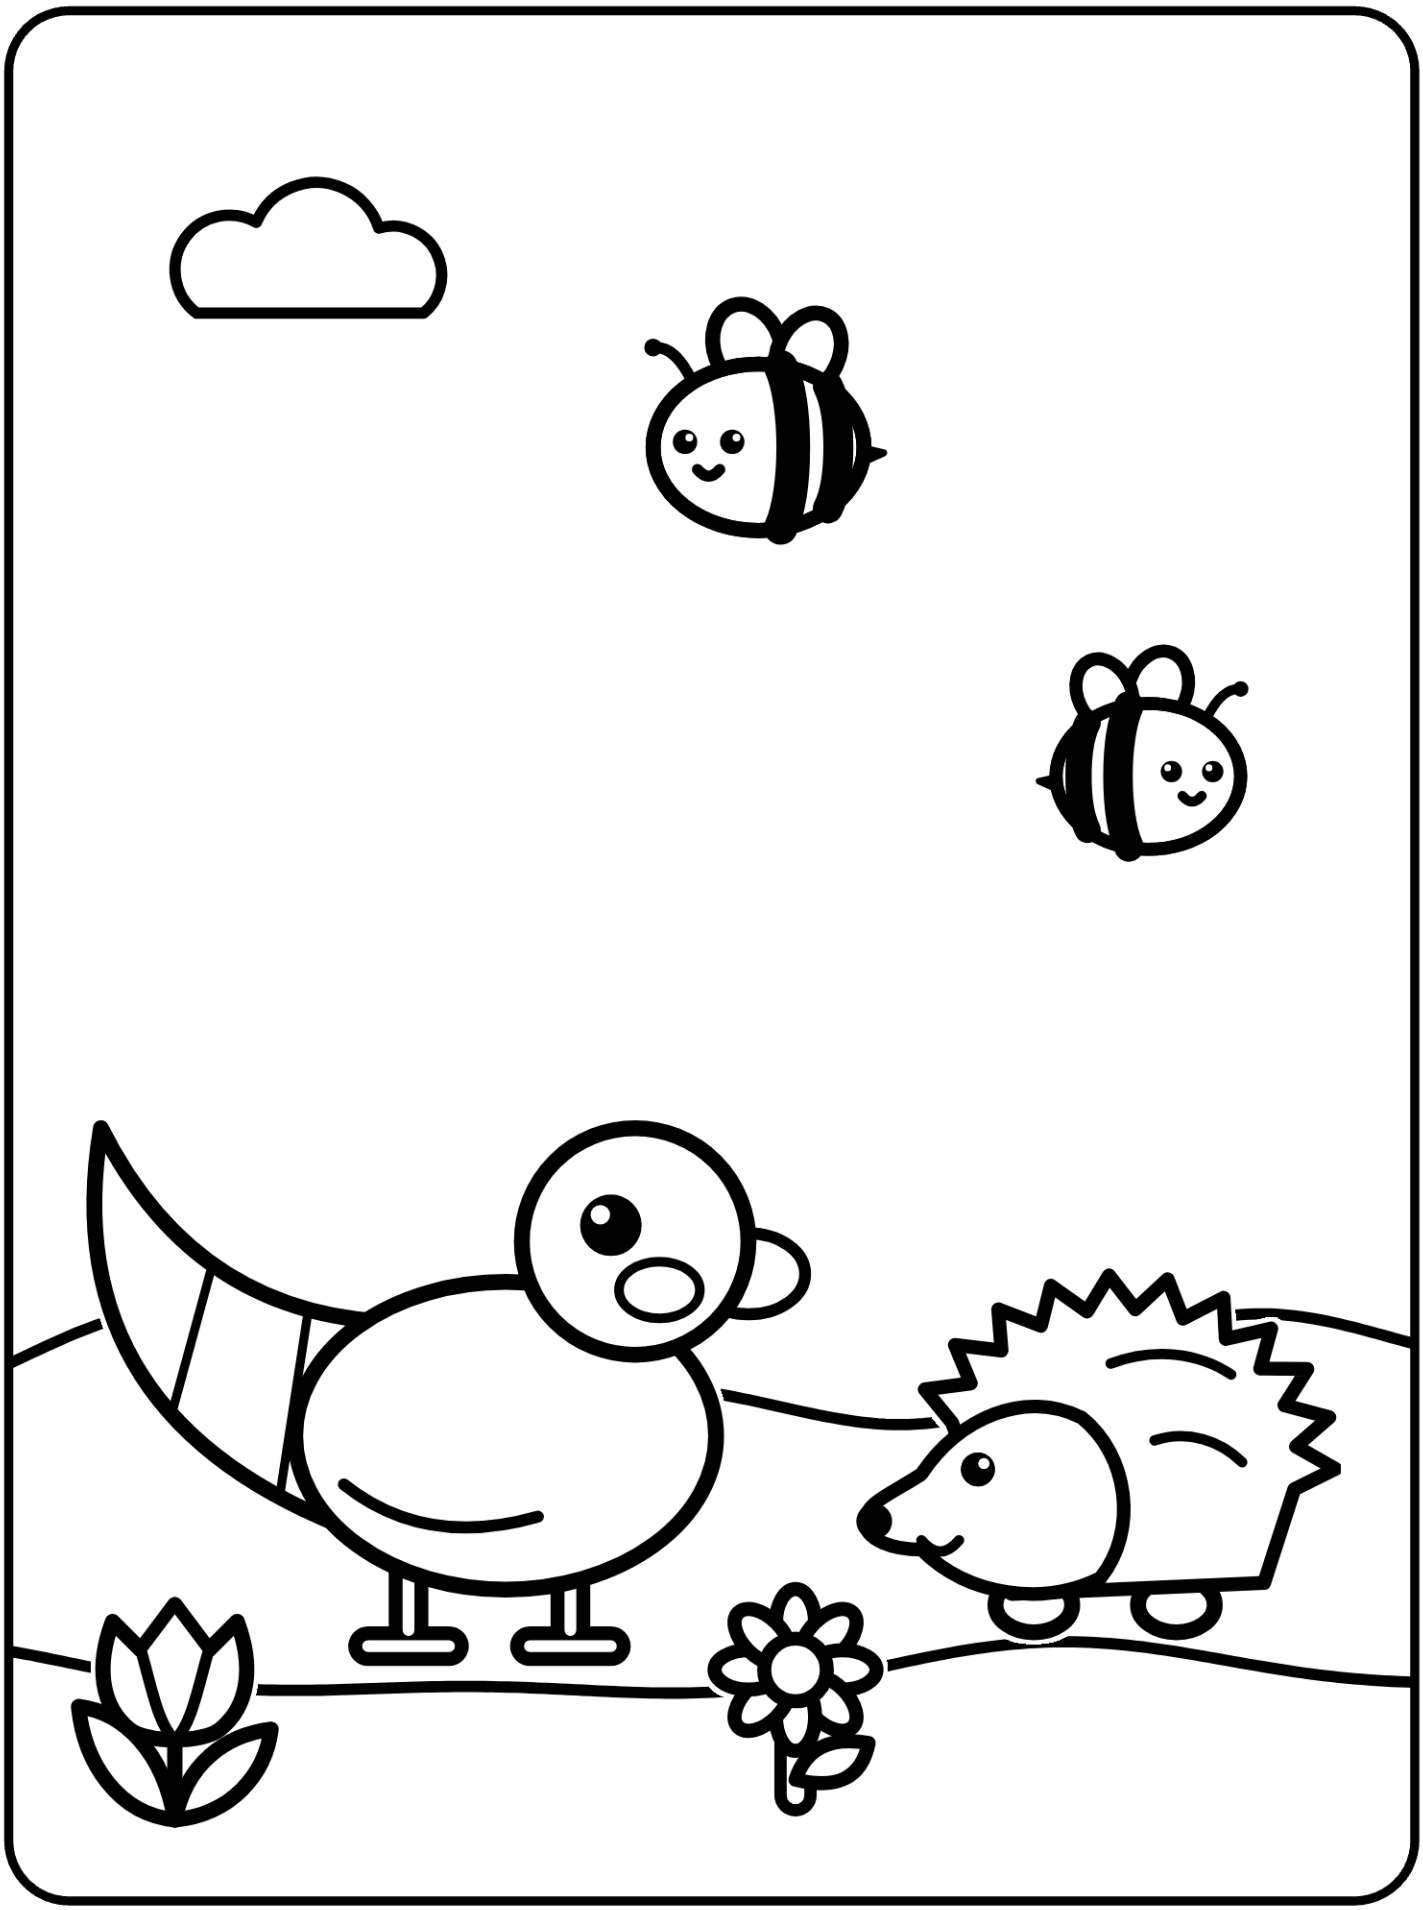

pastelki.club

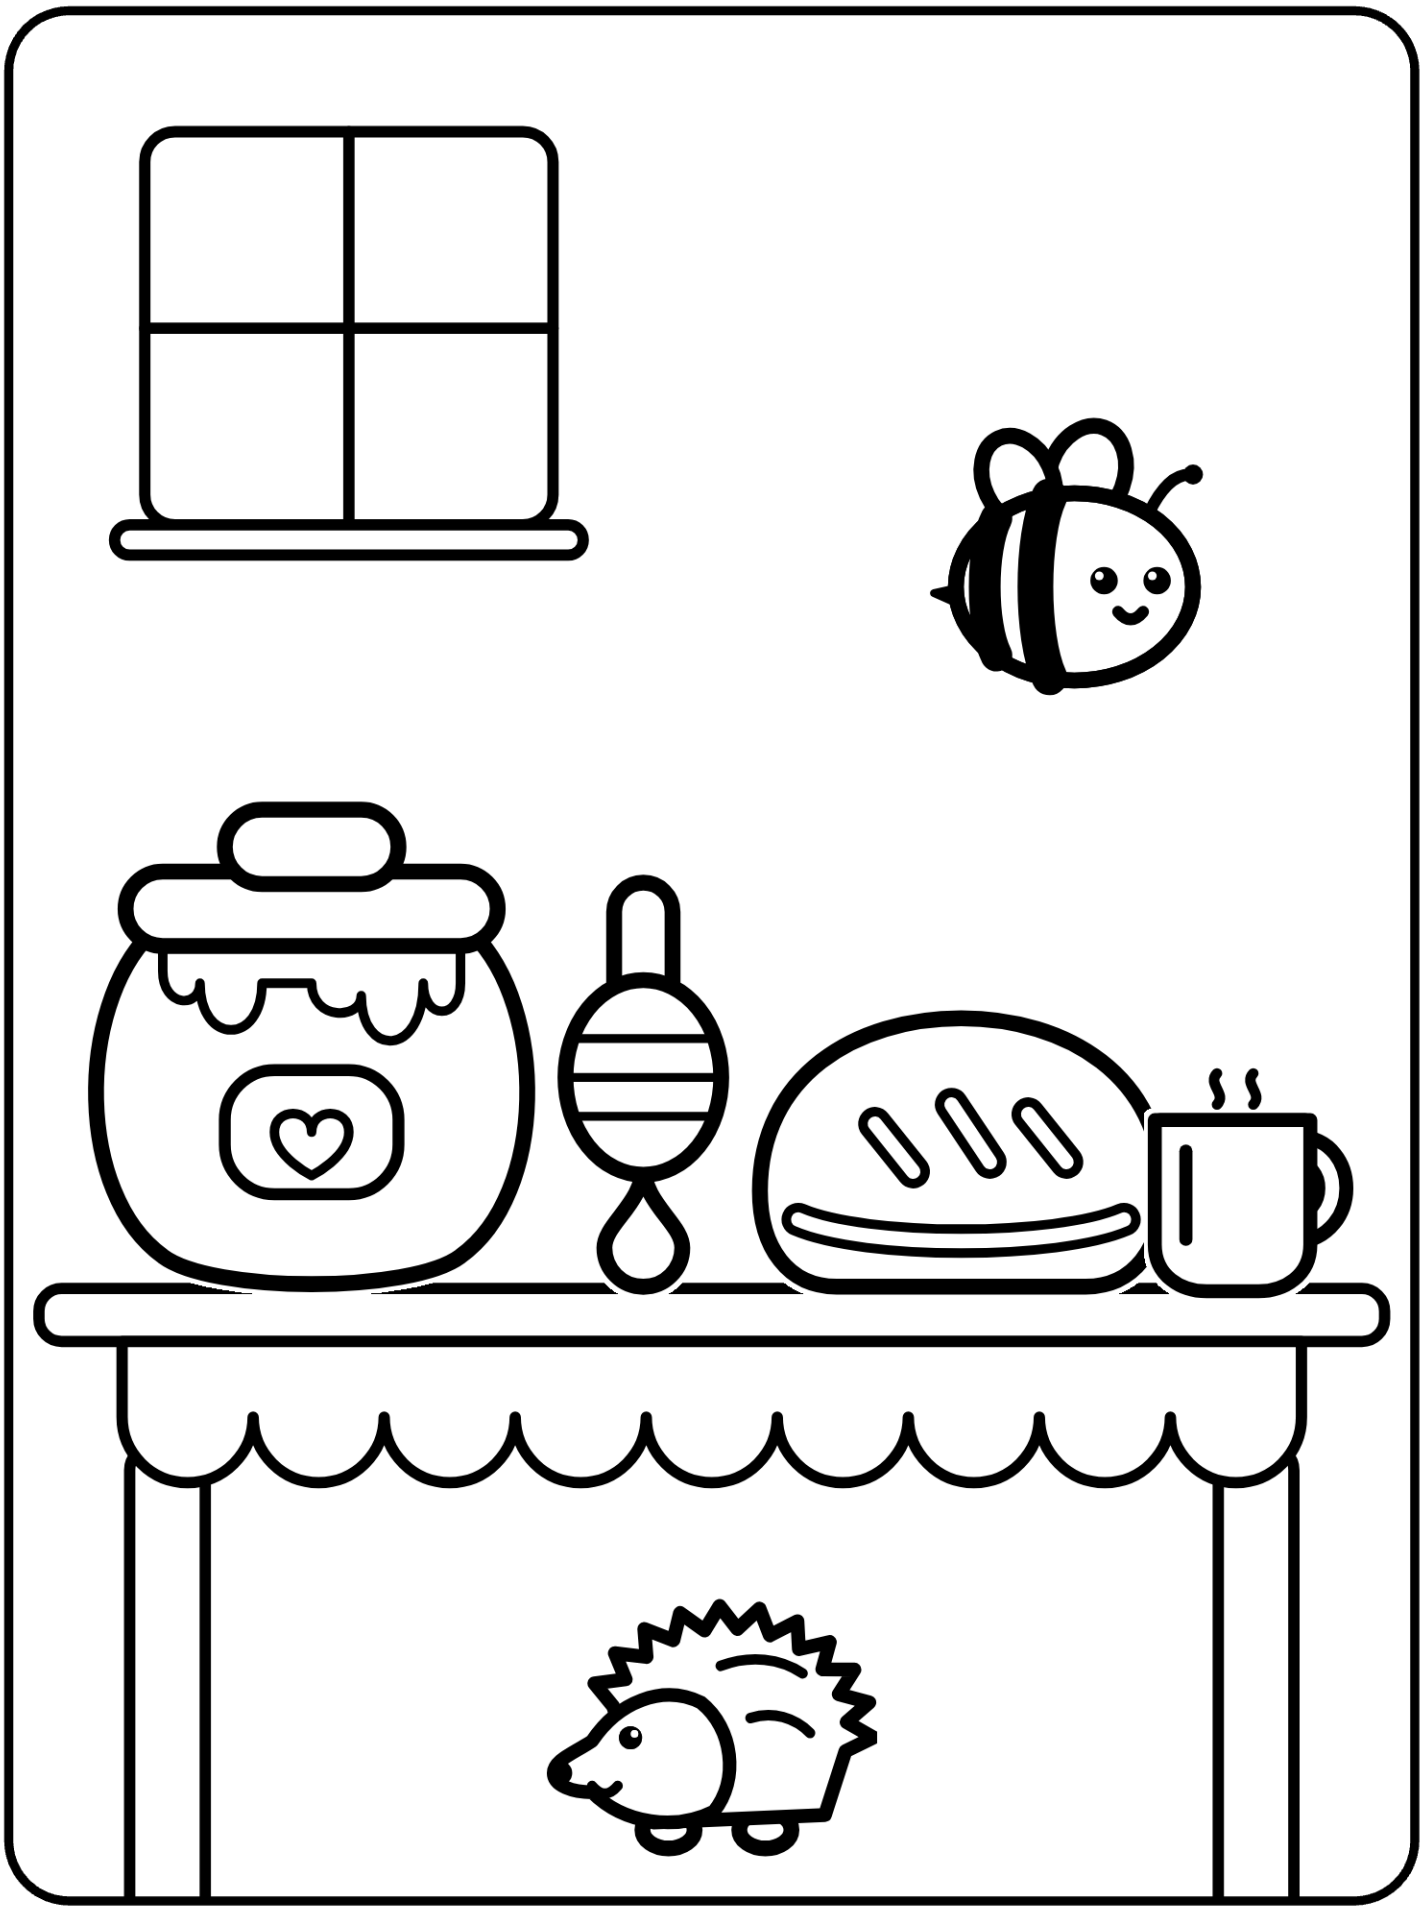

The bees fly home to the hive. How many bees?

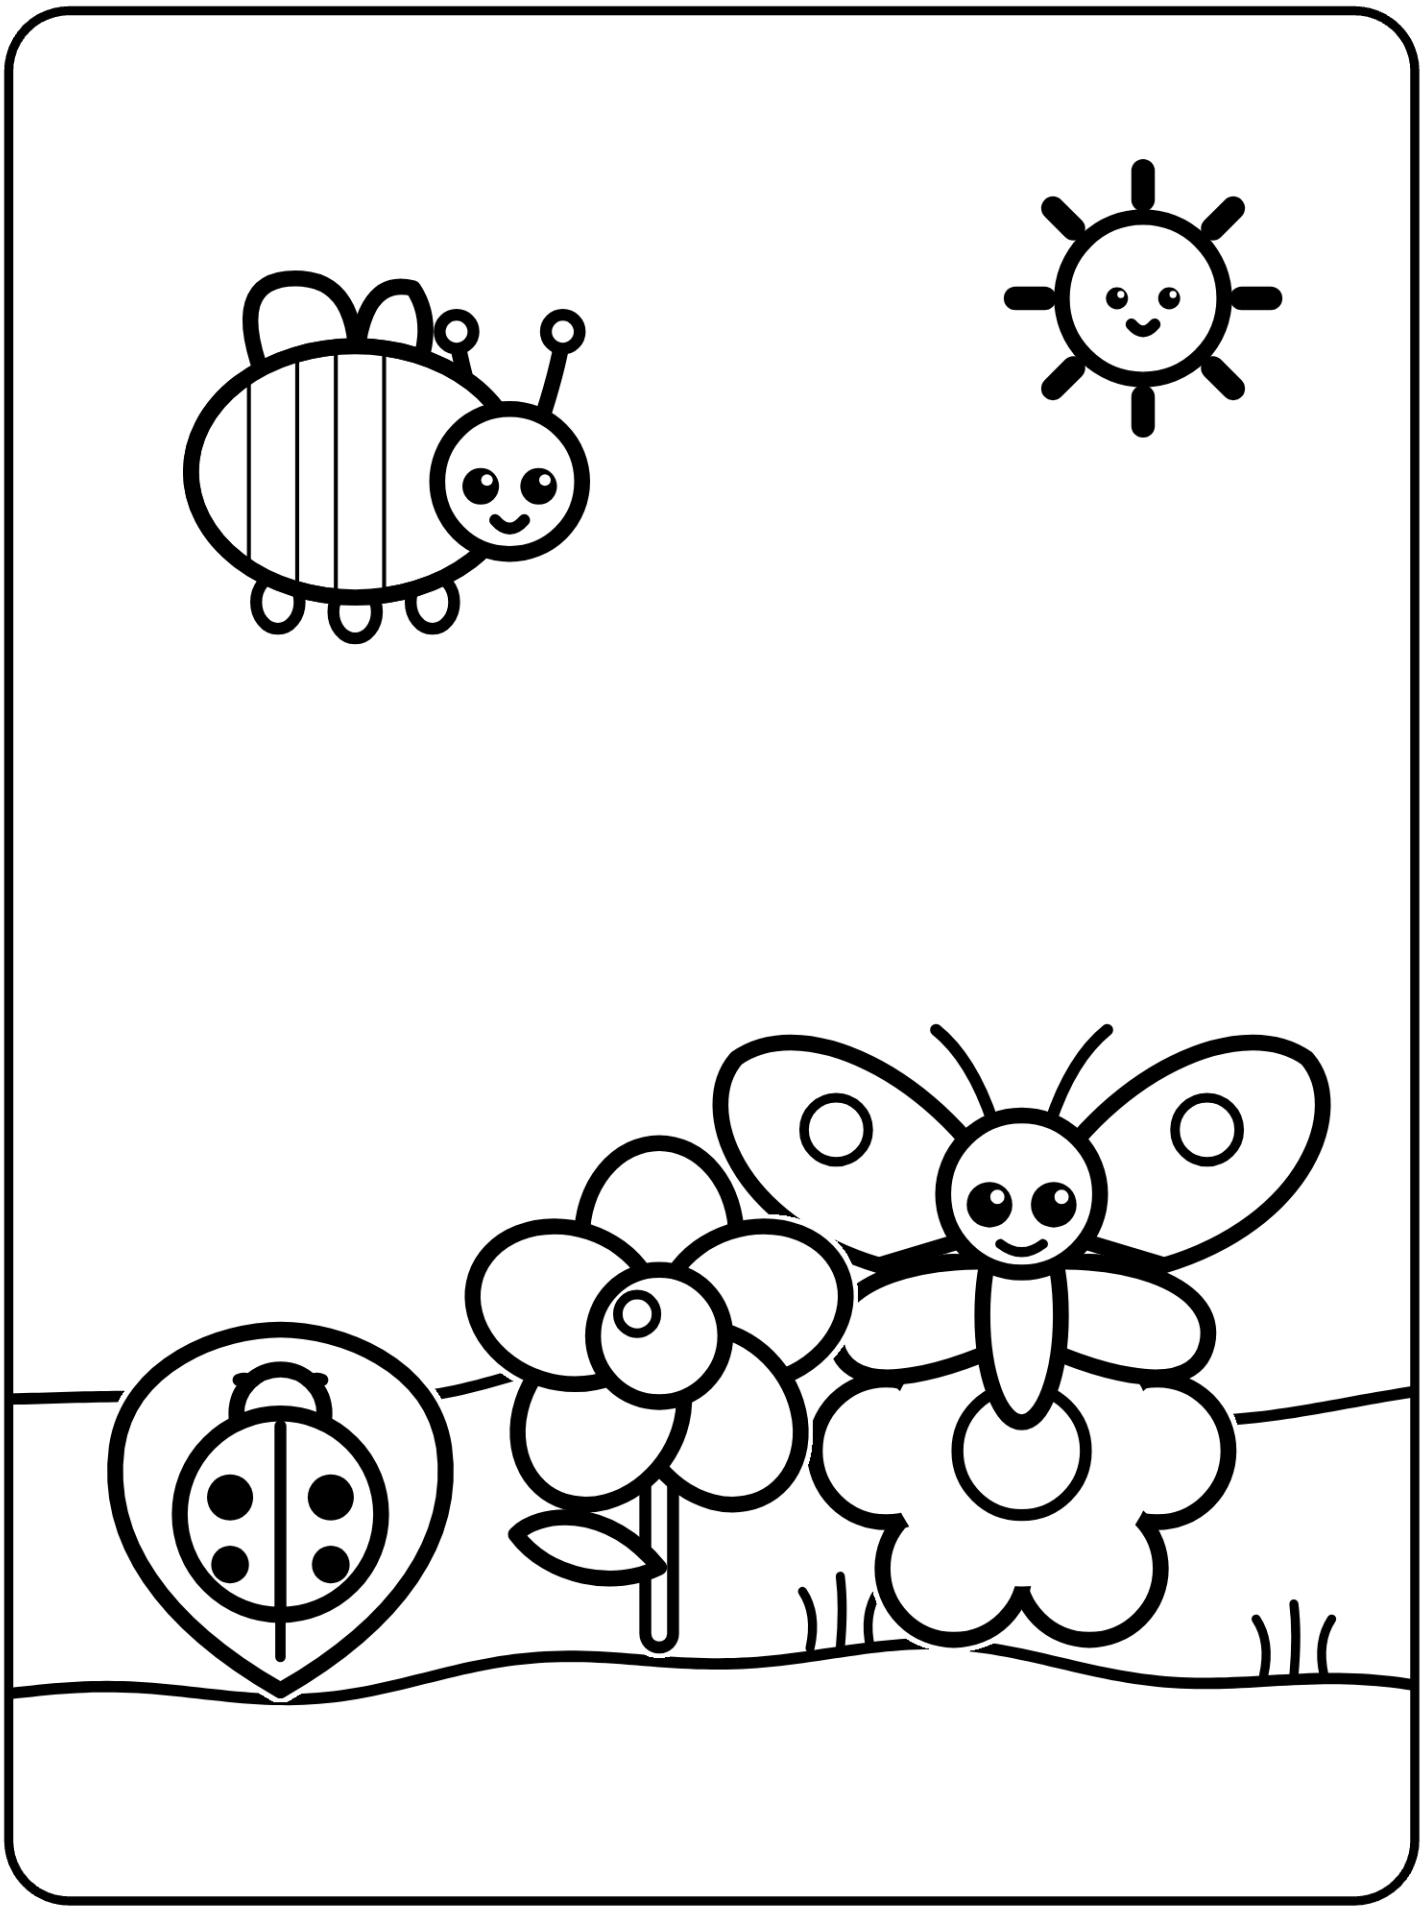

A bee collects nectar from the flowers.

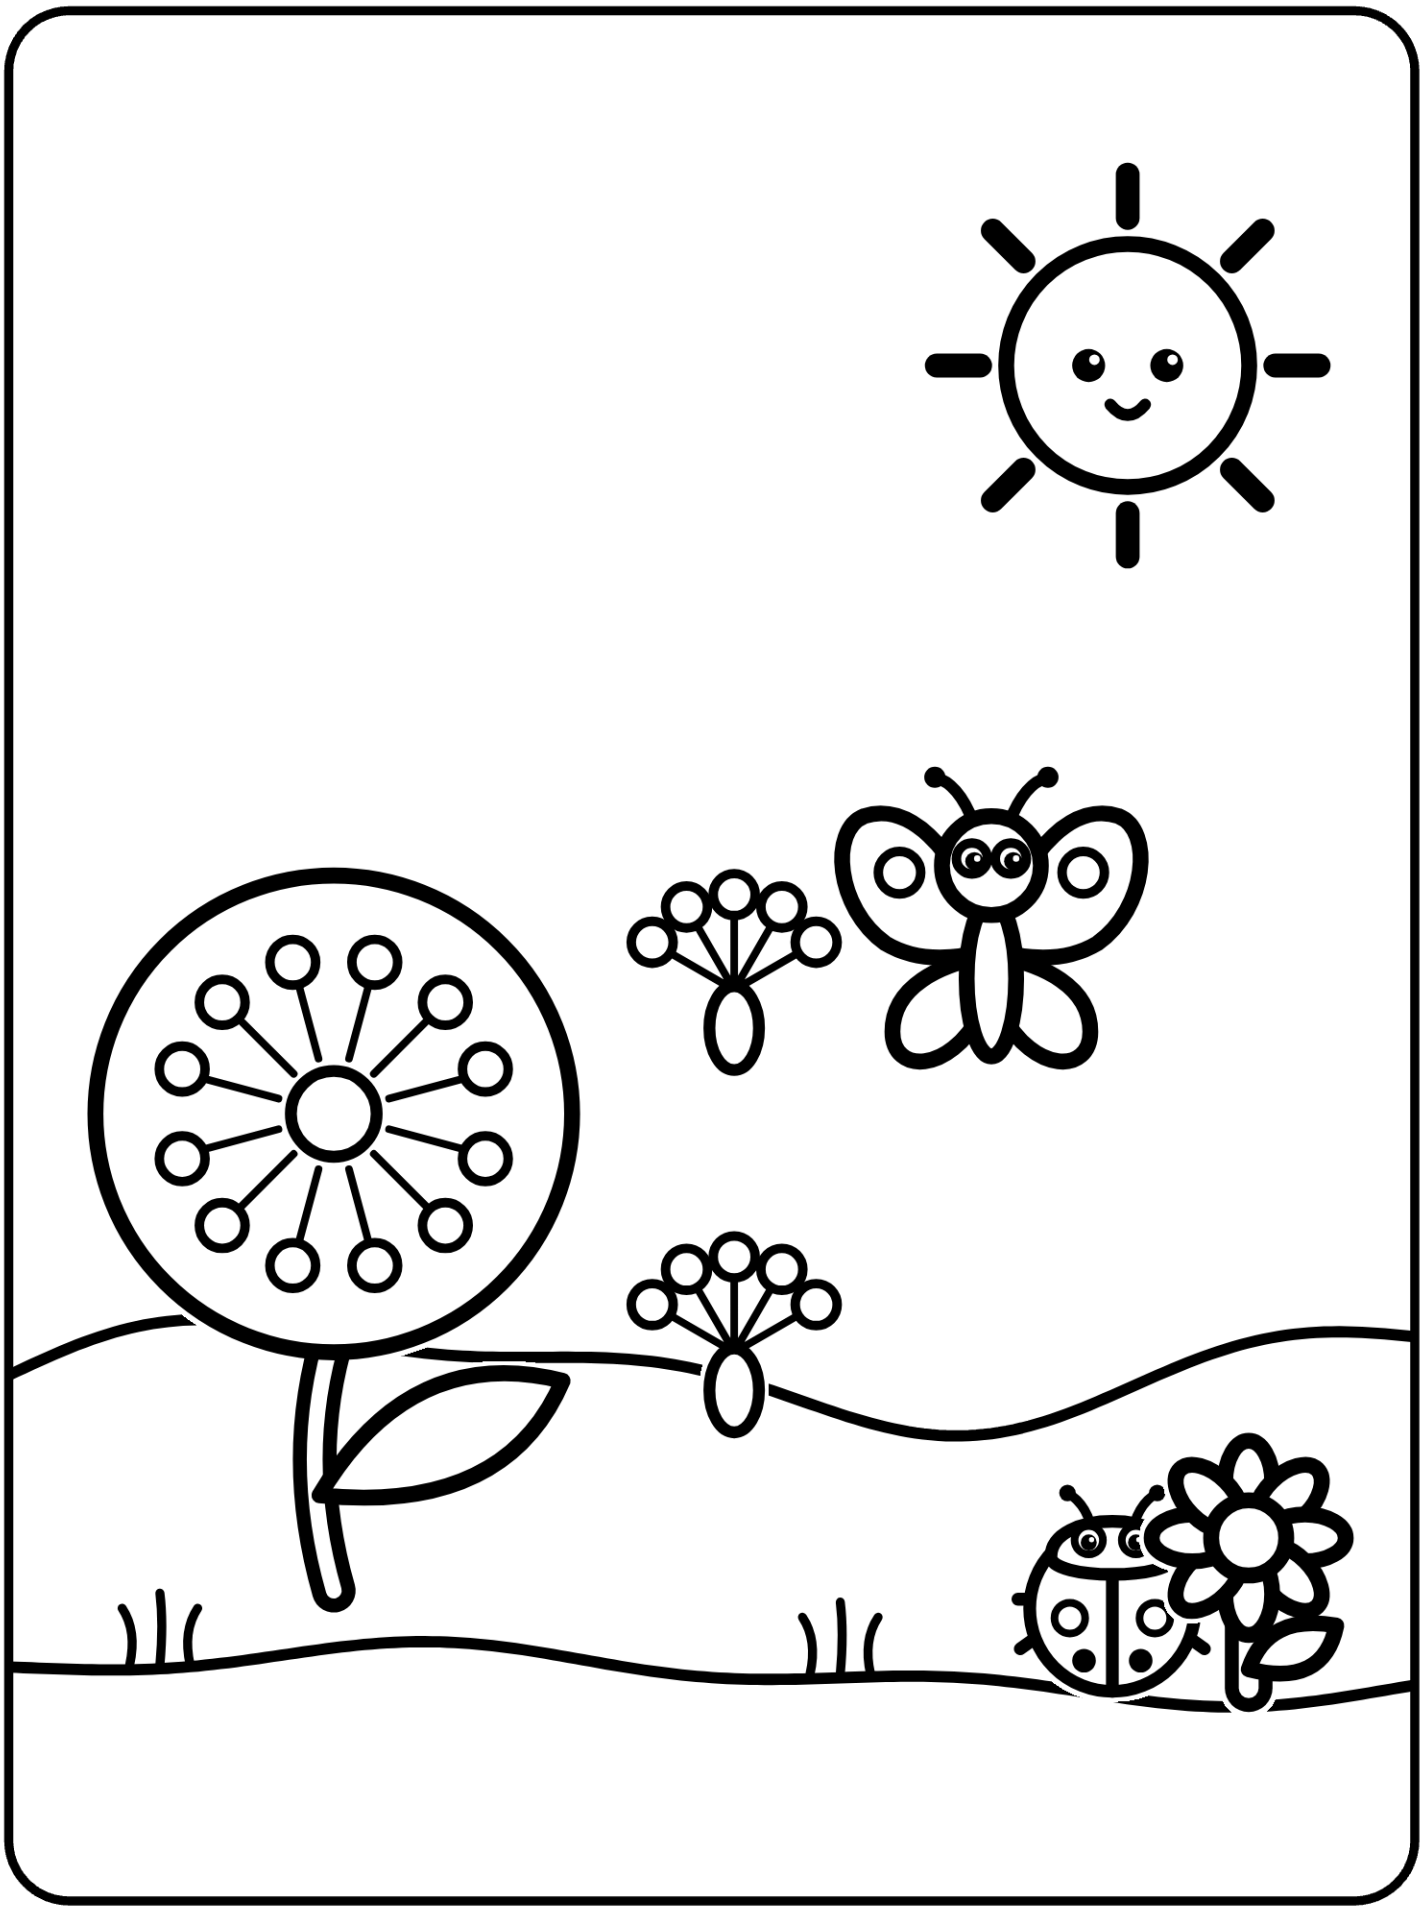

Bob the pheasant and the hedgehog in the meadow.

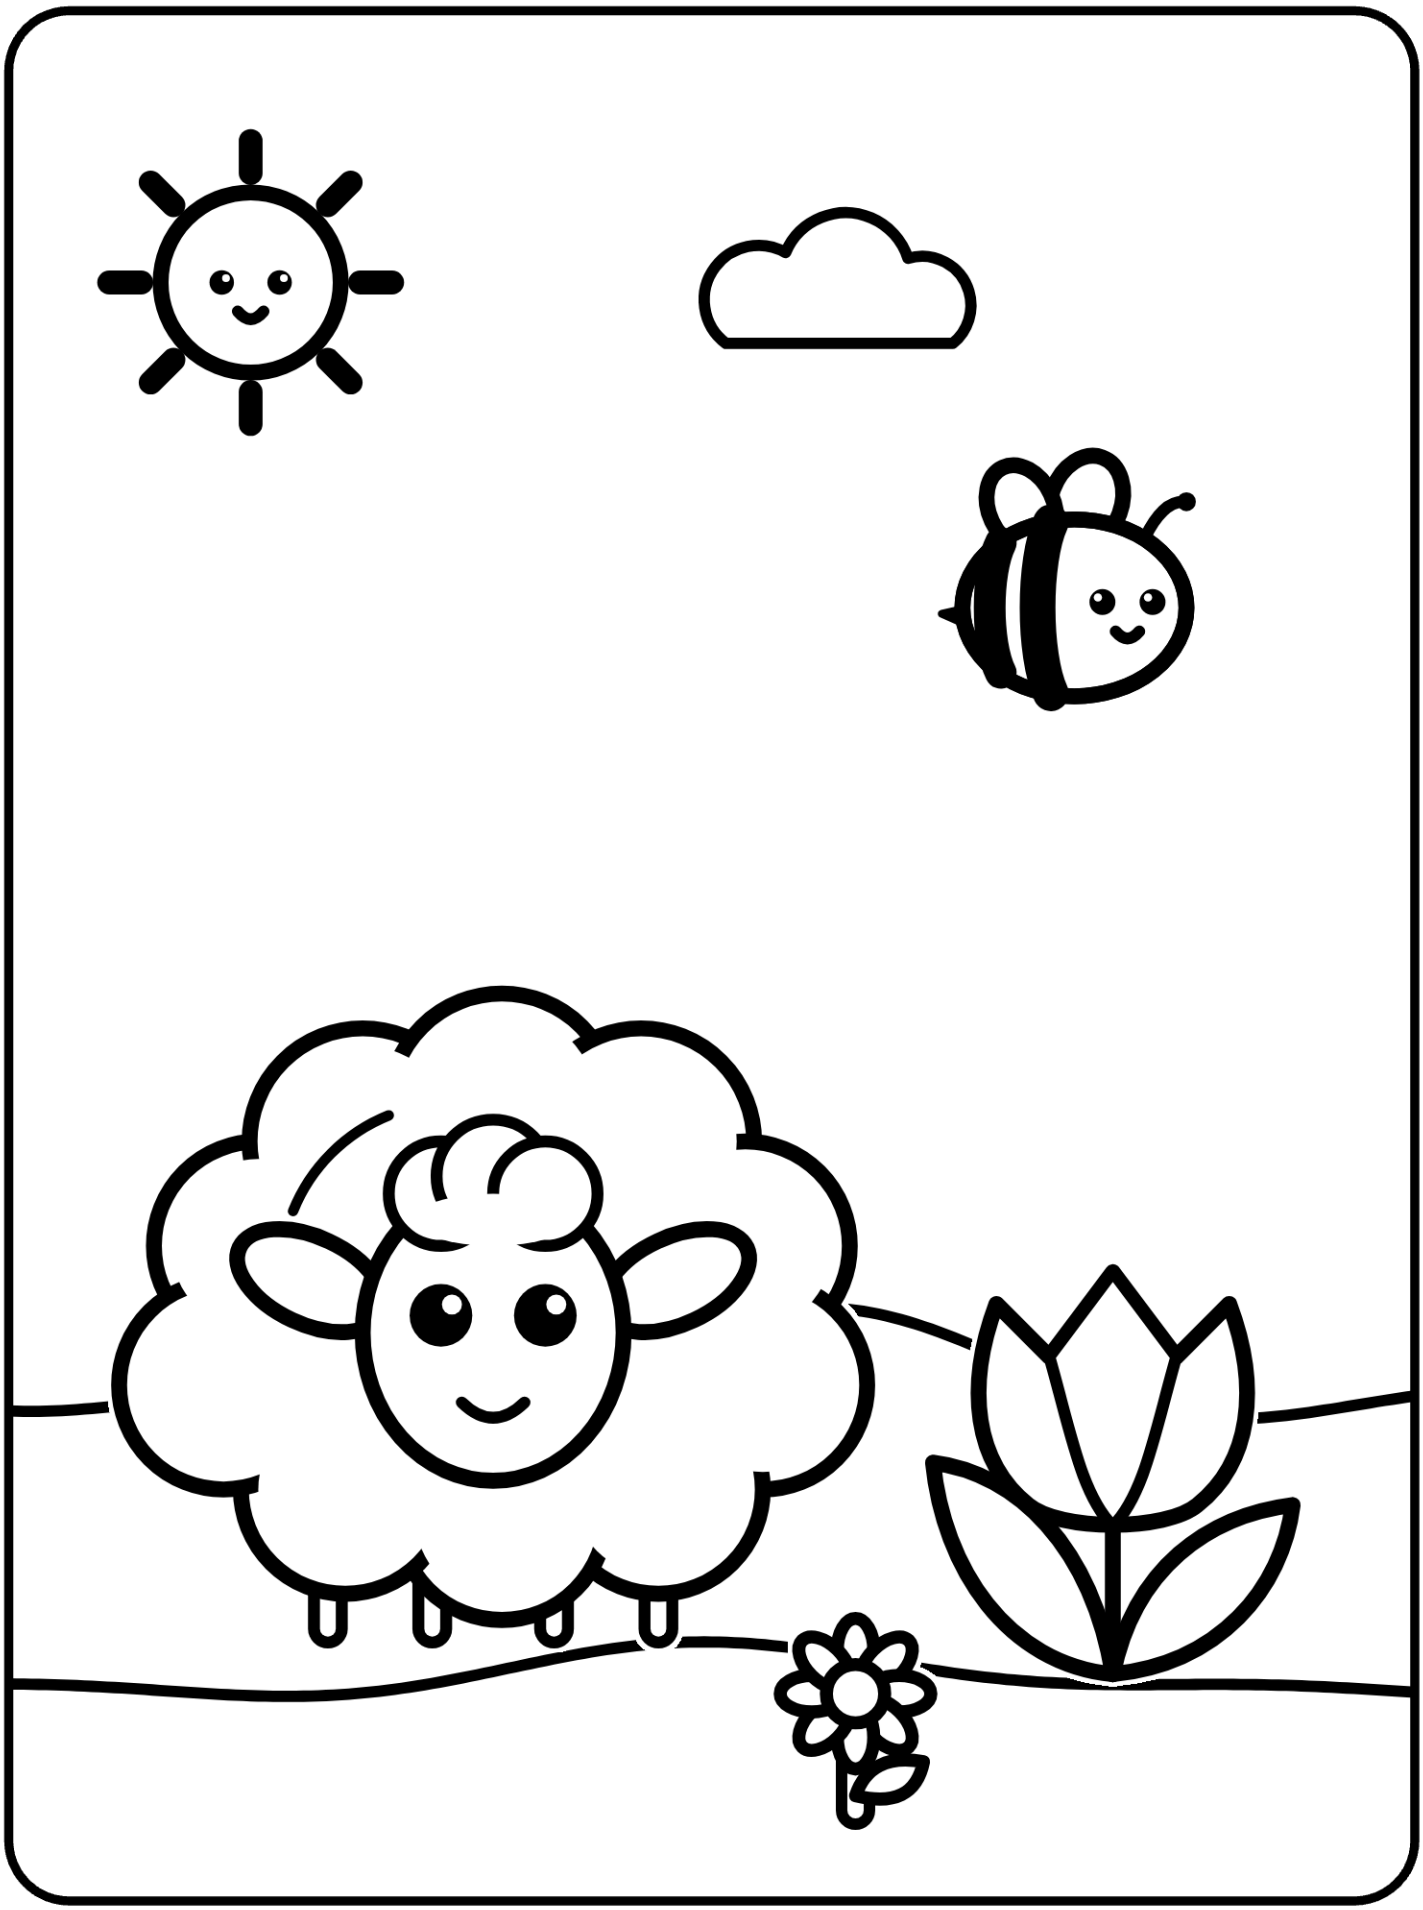

Honey from the bees. Who is hiding under the table?

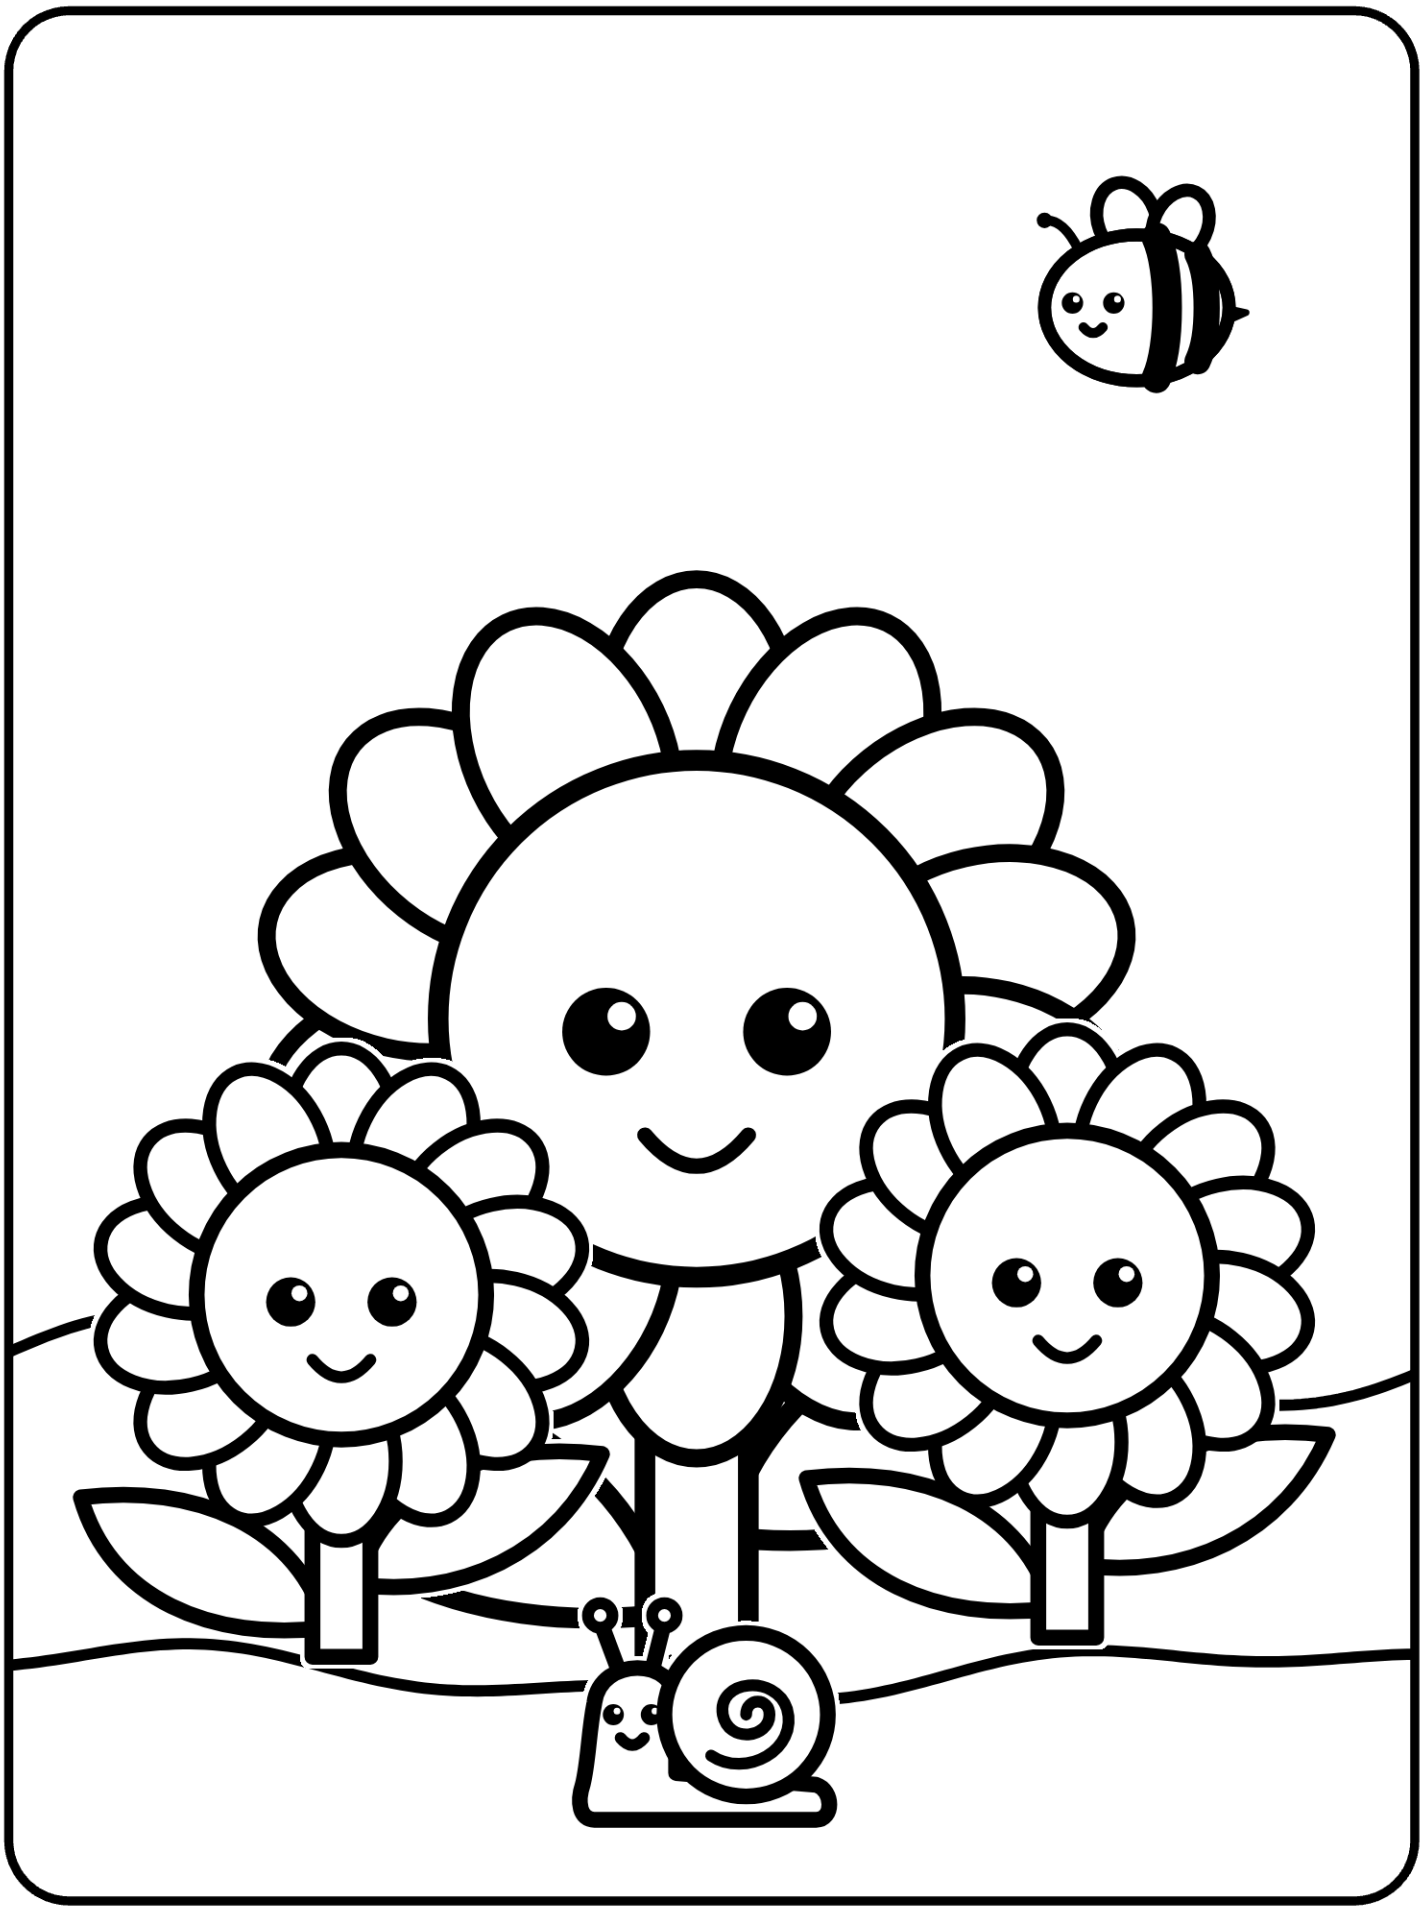

Who lives in the meadow? A bumblebee, a butterfly and a ladybird.

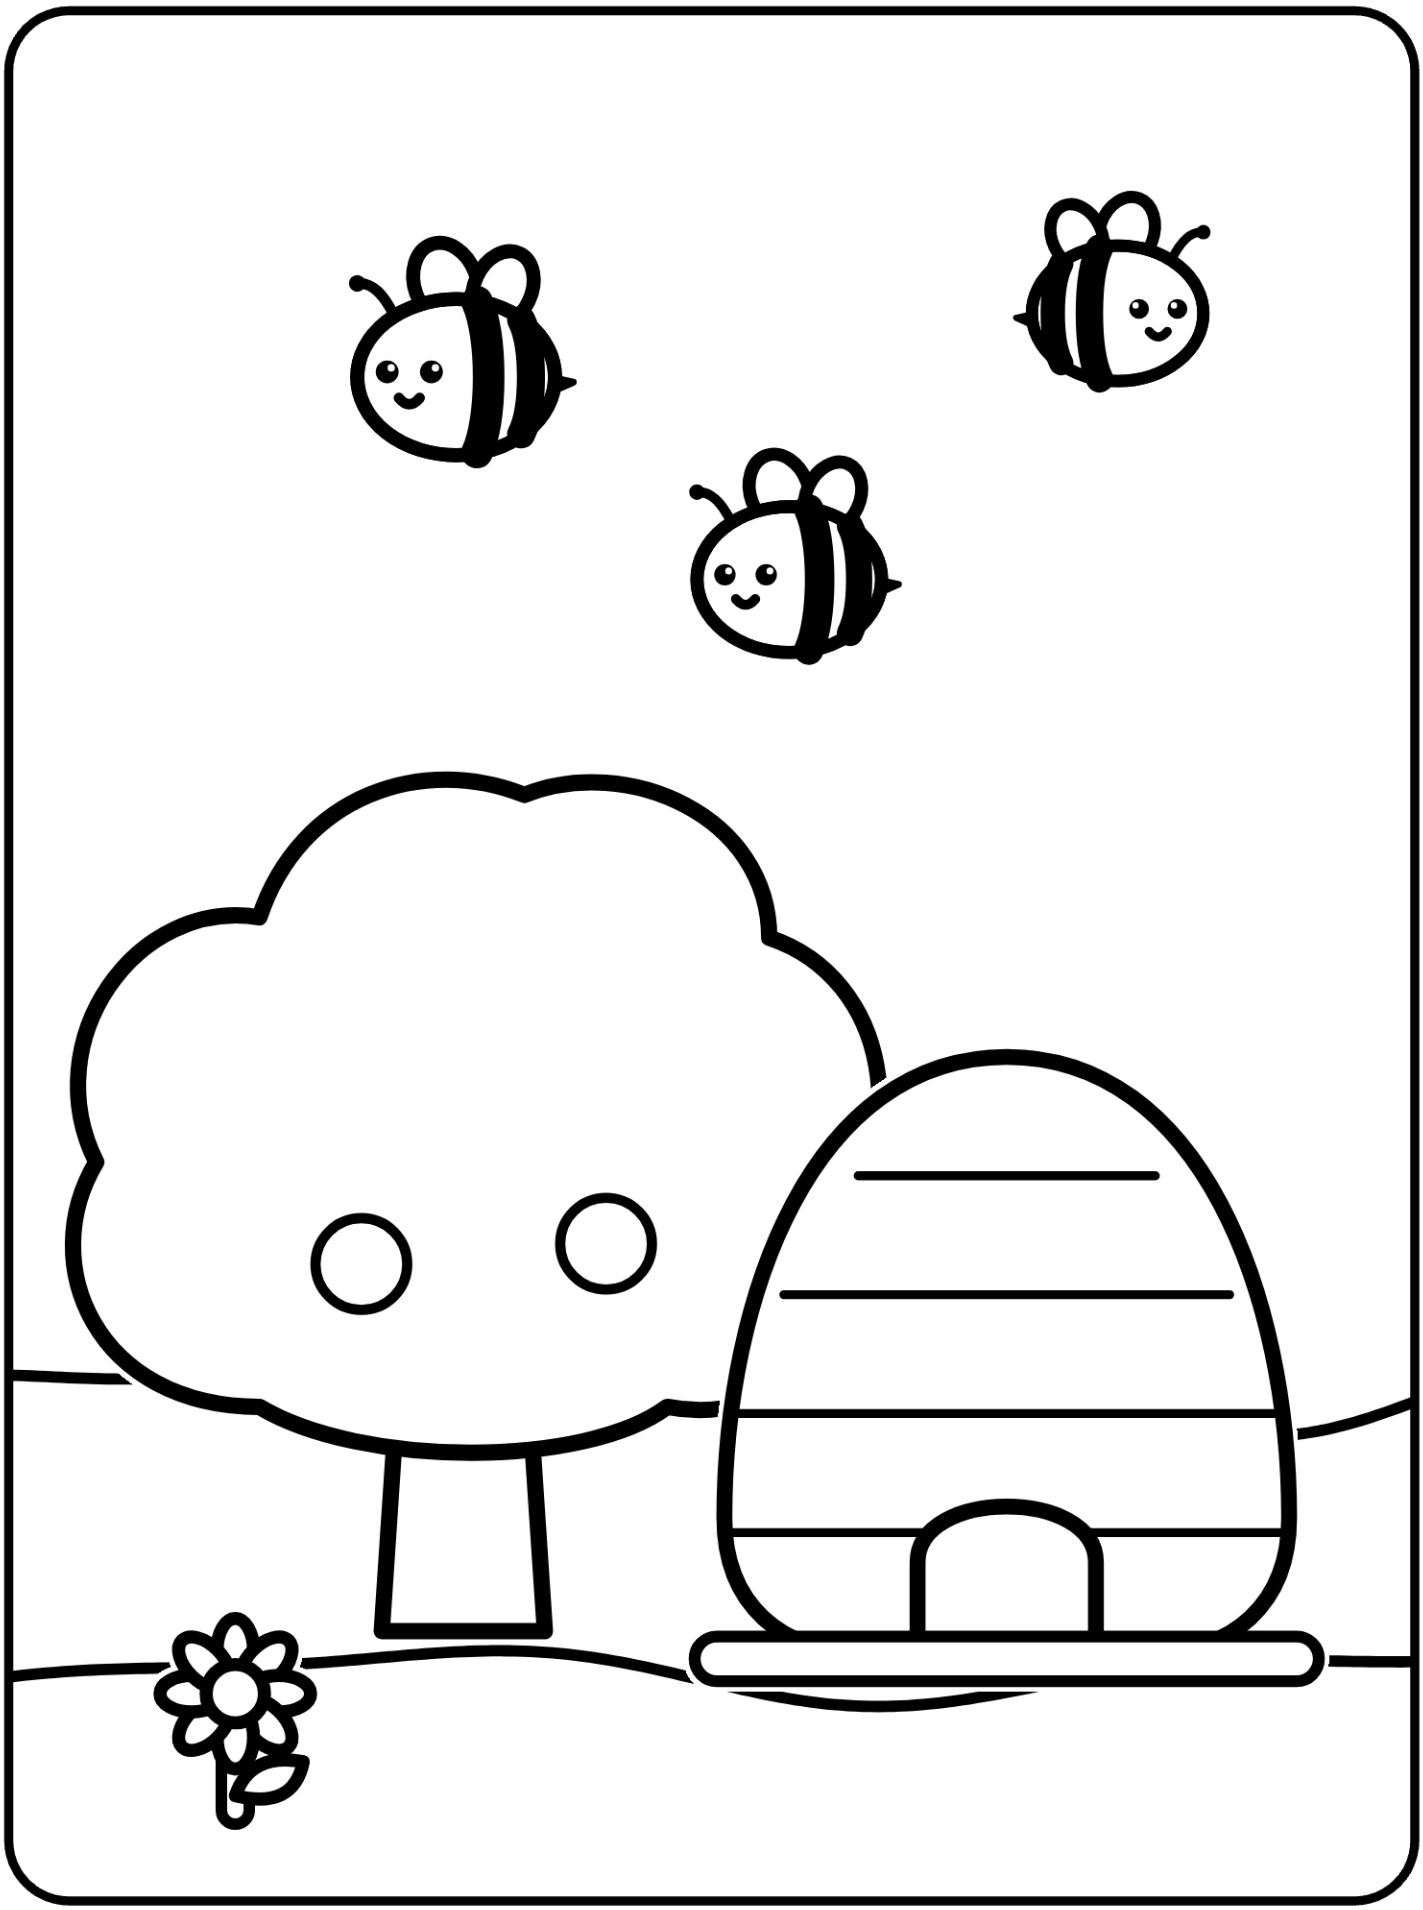

A dandelion and the sun. Blow!

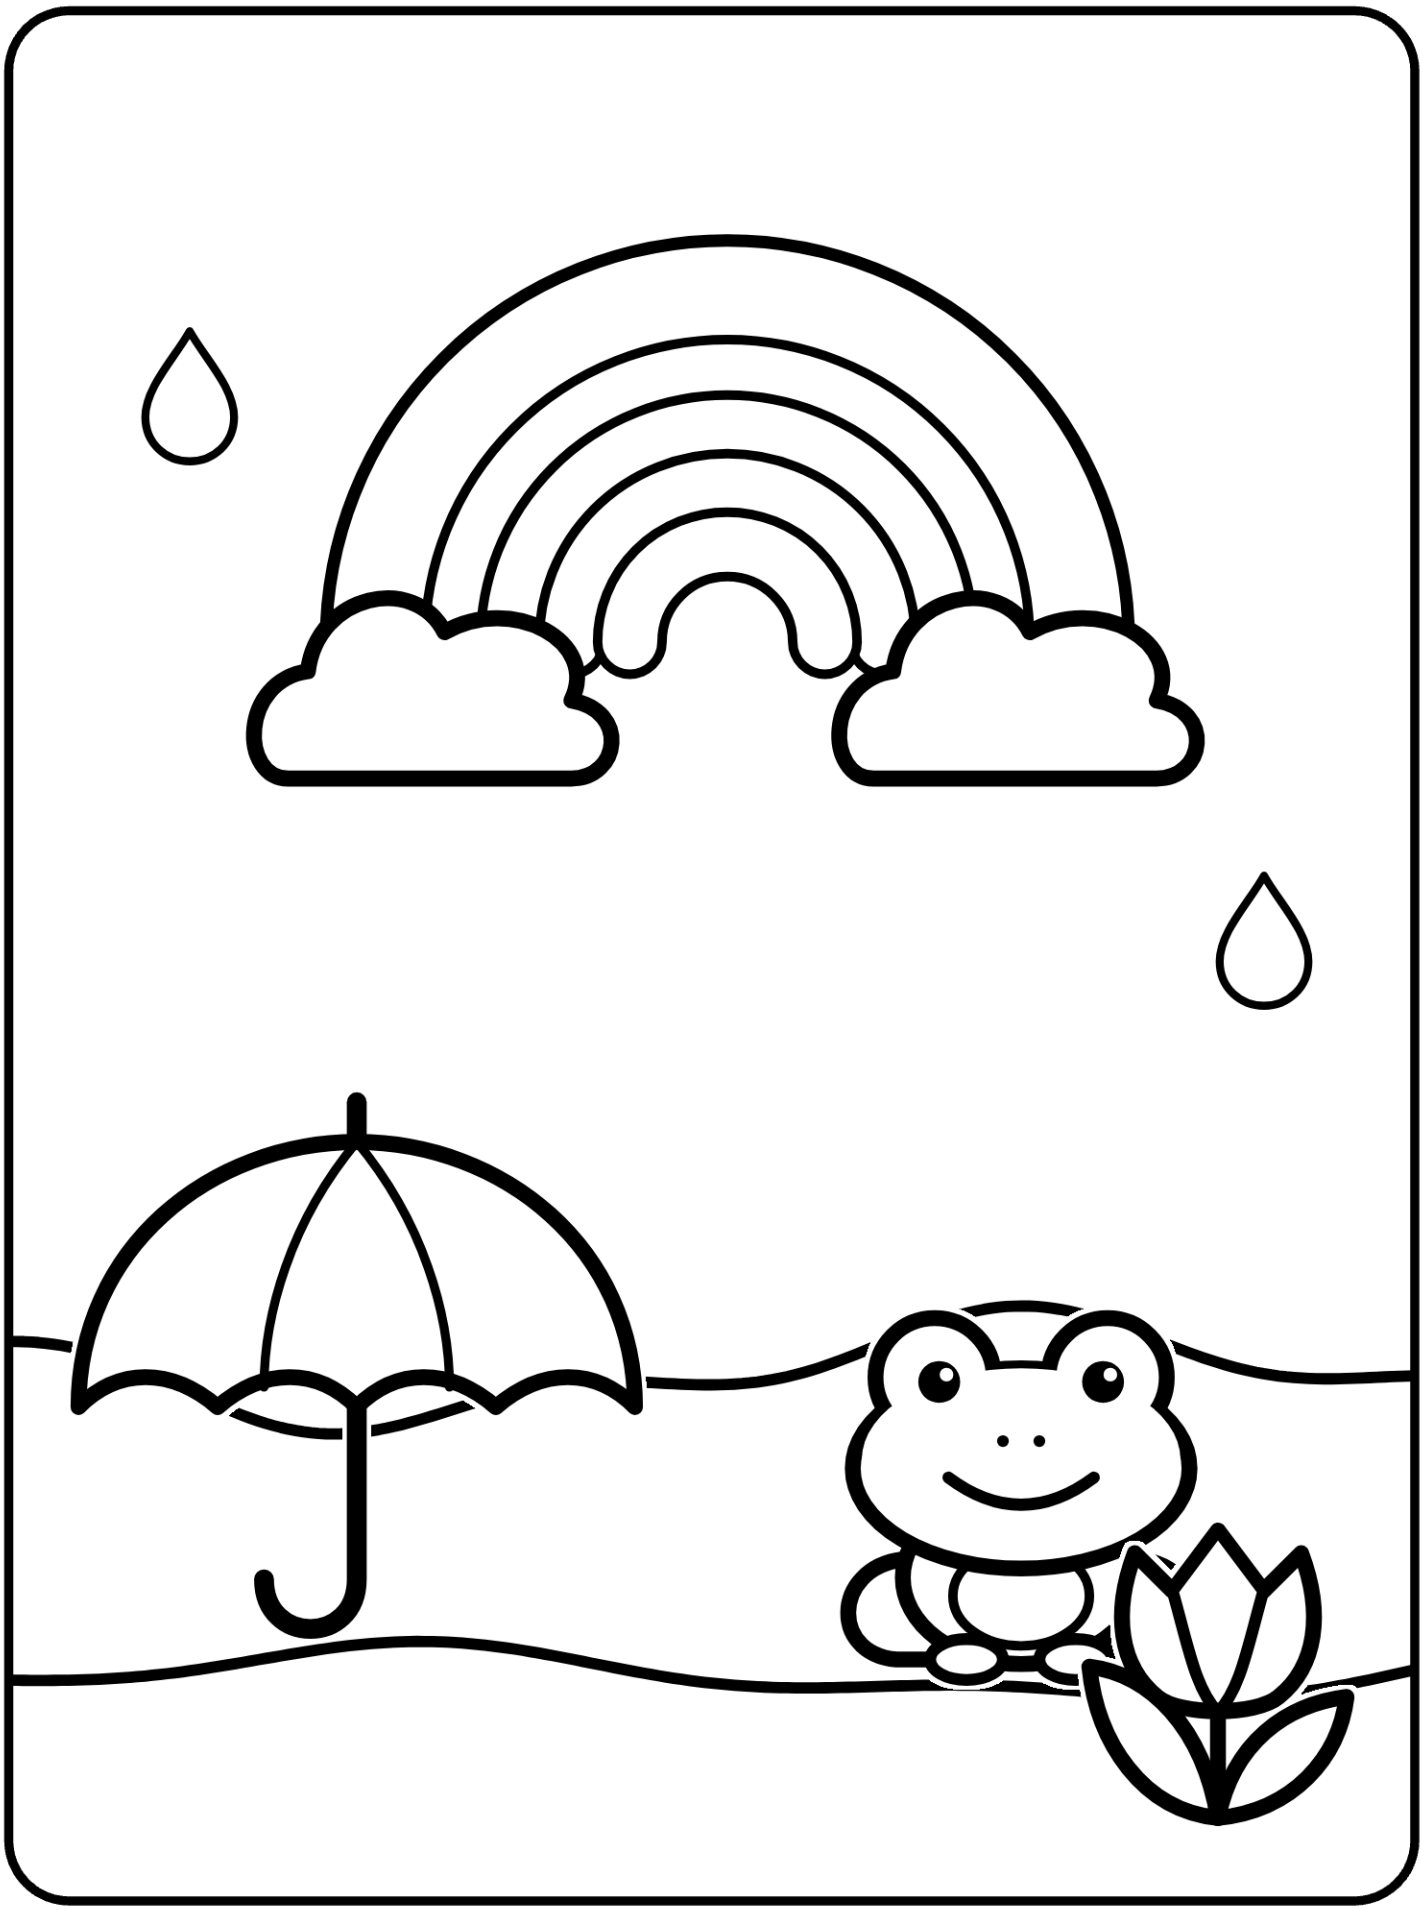

Edyta the sheep smells the flowers.

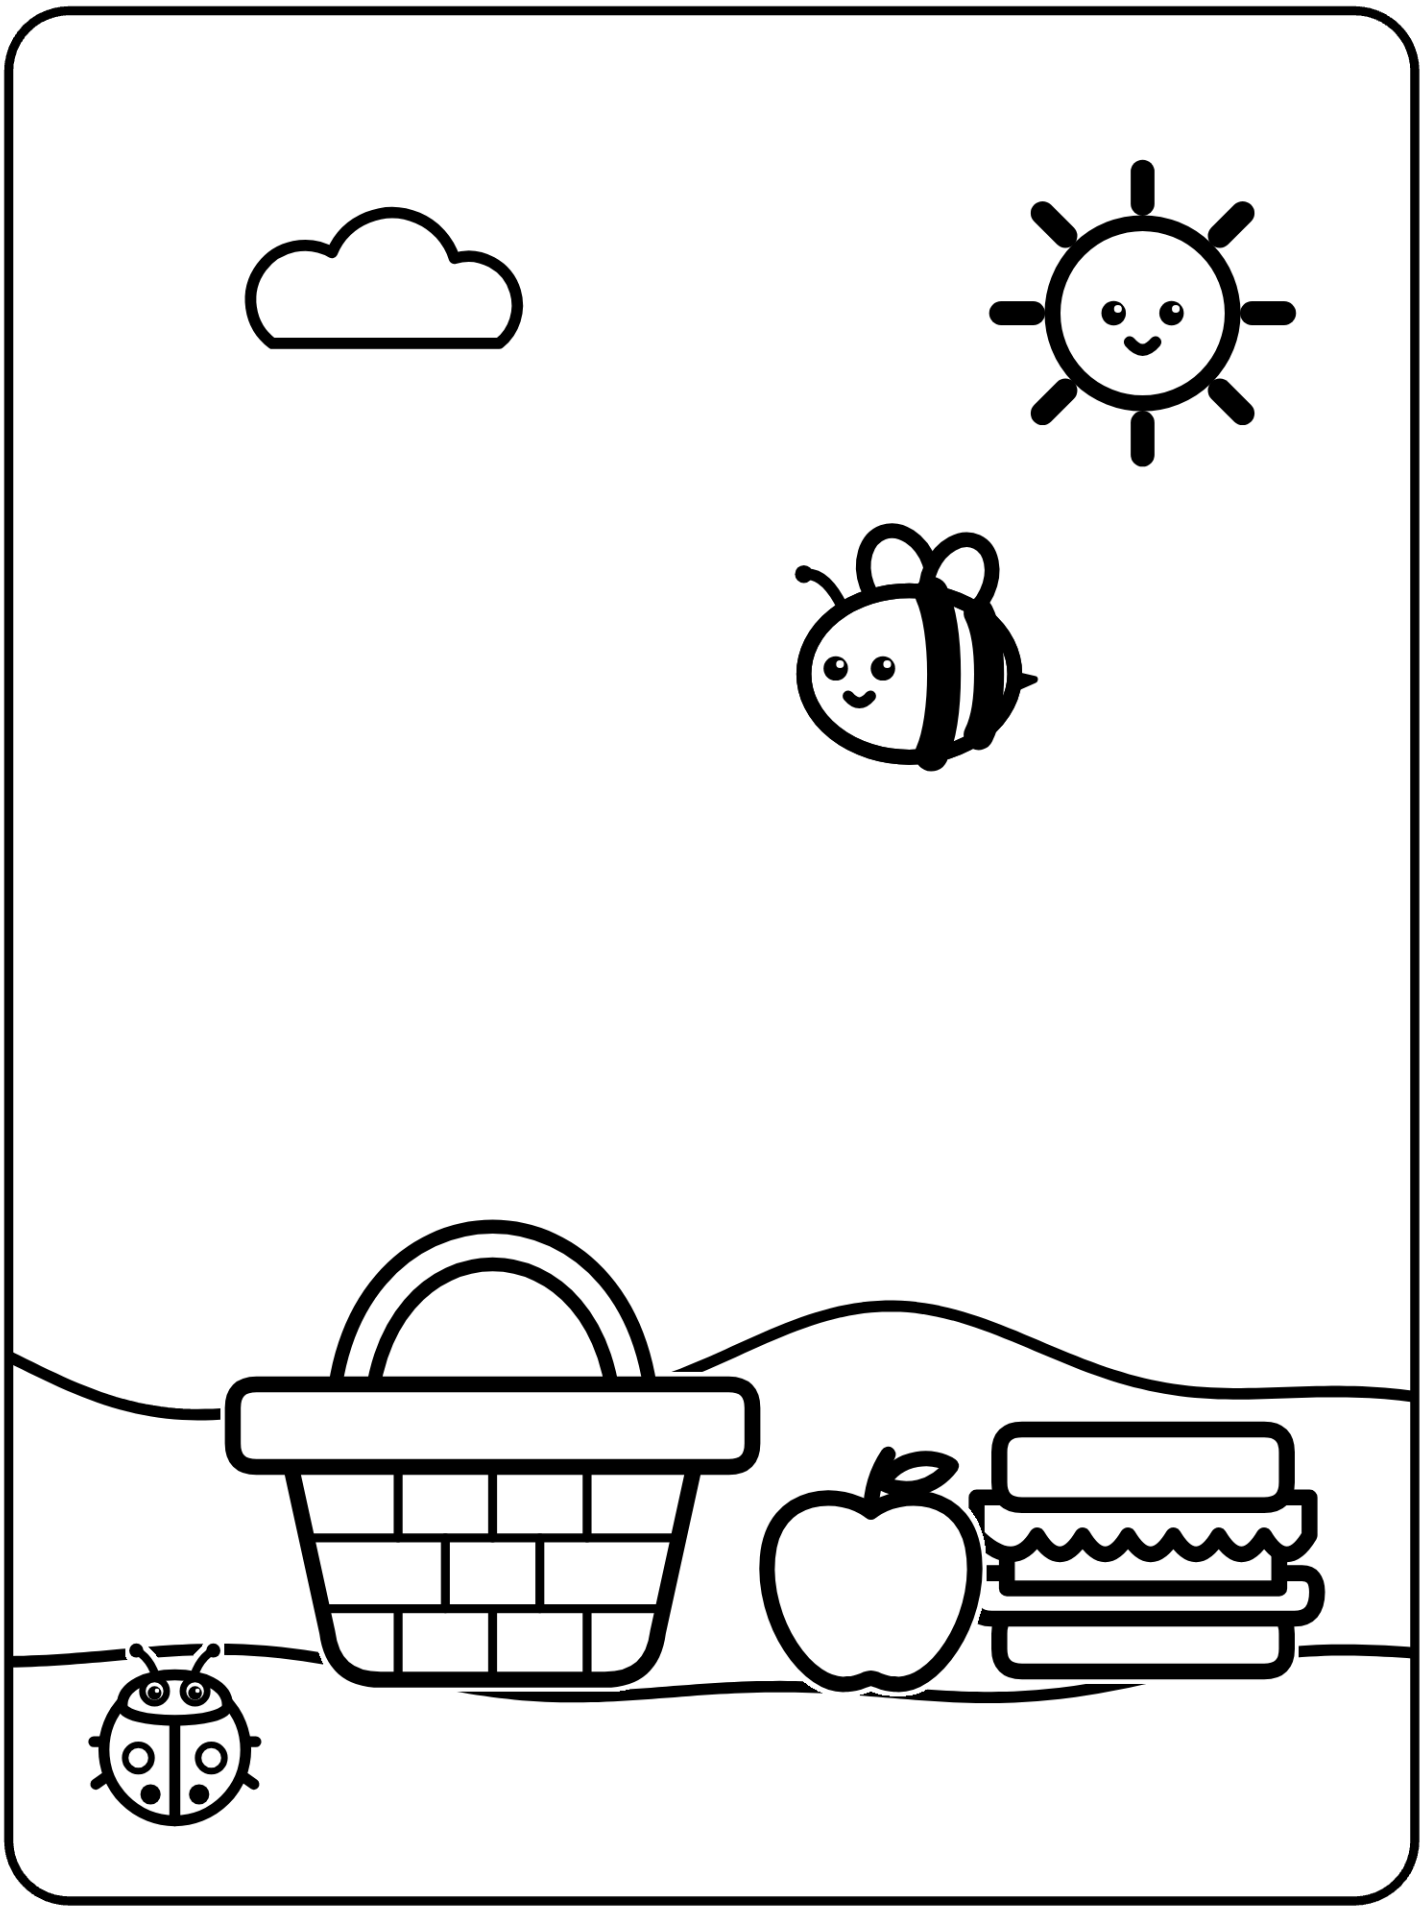

Three sunflowers and a snail. Which sunflower is the tallest?

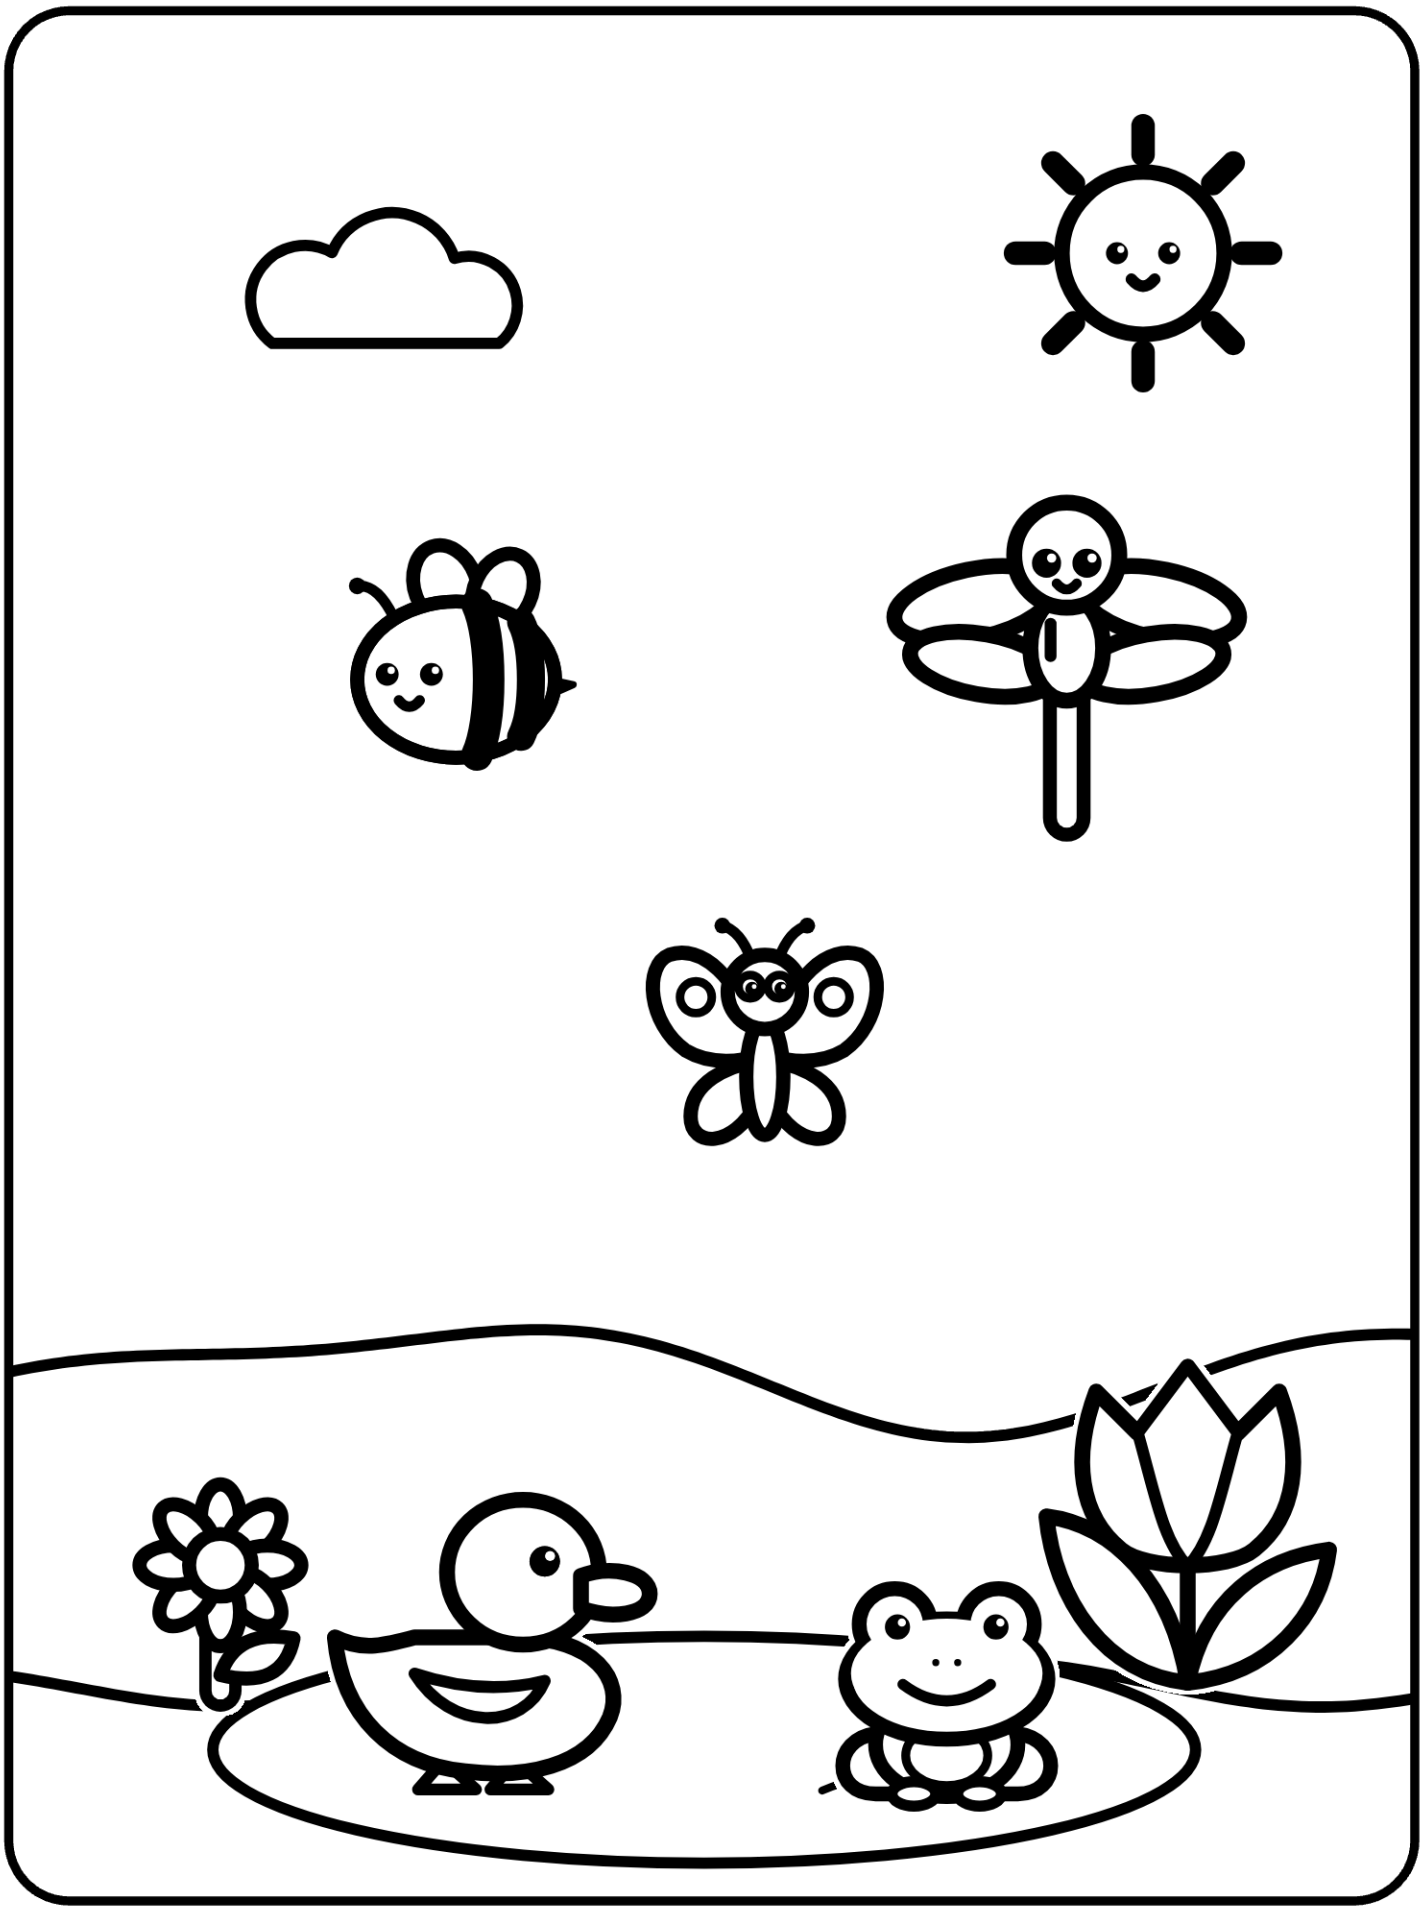

A hive under a tree. Colour the bees yellow.

After the rain comes a rainbow.

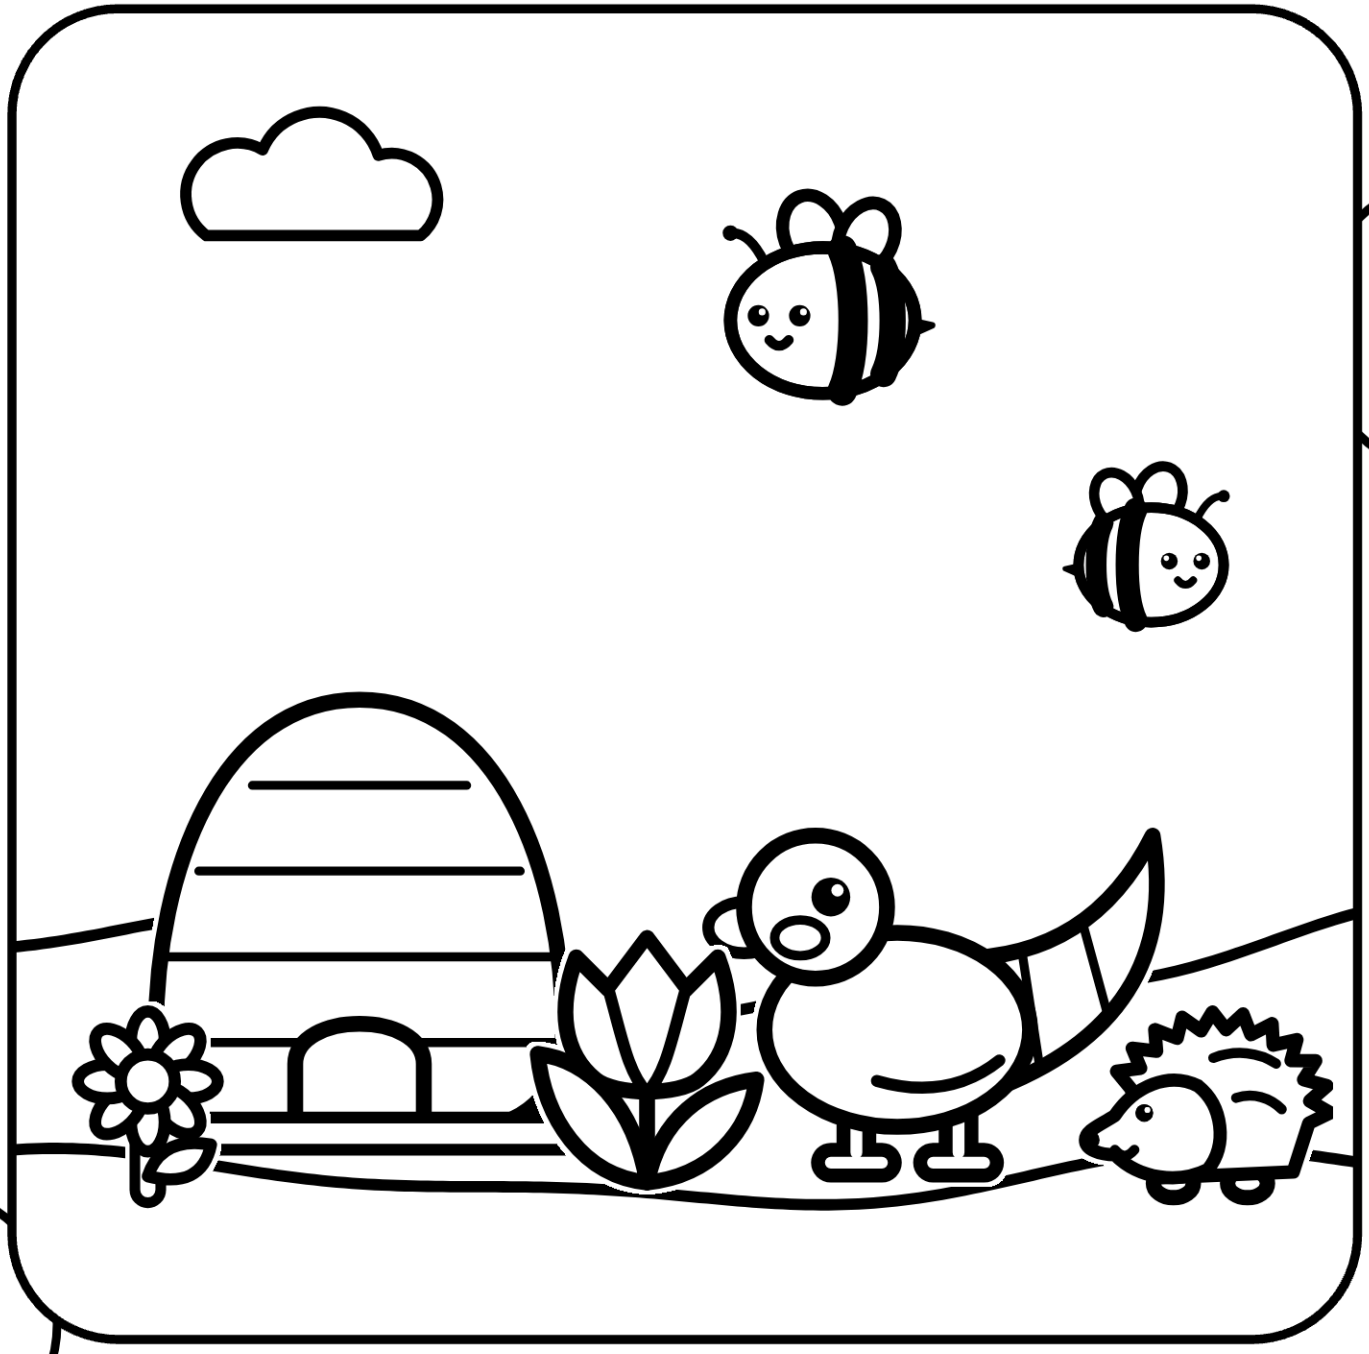

A picnic in the meadow. What is in the basket?

By the pond: a frog, a dragonfly and a duck.
